Game clocks will start at the scheduled start time. Please be ready to play!

Food and drink are not allowed in the gym. There is a locker room facility provided for your convenience (please provide your own lock).

We love children, however, in the interest of safety, we ask that they stay home during adult league play. If you need to bring them, they **MUST** be supervised by a non-playing adult (not the gym supervisor), and remain seated in the bleachers.
